### ADDITIONAL CITY.

### New Rules of Wavigation.

The Board of Steamboat Inspectors who have been in session at Washington for the past week, under the auspicious of the Secretary of the Treasury, have perfected the revision of the rules and regulations for steamboat navigation upon our waters. The rules for the government of pilots of steam- 4 O'Clock F. M. October. boats navigating the rivers which flow into the waters of the Gulf are the same as those adopted under the steamboat act of August, 1852, with a few exceptions and additions. Foreign The following has been substituted for

When steamers are running in the same direction, and the pilot of the boat which NEW YORK. is astern shall decree to pass either side of the boat, he shall give the signal as in Rul I, and the pilot of the boat shead shall answer by the same signal, or, if he prefer to keep on his course, he shall make the necornery signals, and the boat wishing to pass must govern herself accordingly; but the boat ahead shall in no case attempt to cross her bow or crowd upon her course.

In Rule 16, third section, the last line has been stricken out before the word "abeam." The new rules are as follows:

HULE 18 .- Steam ferry boats with two chimneys shall in all cases carry the same

signal as passenger steamers. RULE 19 .- All other steamers, ferry or otherwise, having but one chemney, shall have brackets fastened securely to each side chts, the same as passenger steamer. Rule 20 — When a license of a pilot is supposed or revoked, he shall not set as a smith and Wesson pistol, at the Lebanon for take any part in the navigation of any steamer during the time for House, Lebanon, O., while showing Gov.

which his license shall have been revoked. McBurney, how Myers, the murdered man These rules will be of interest to all living might have shot himself. The ball entered He is a supporter of Thiers. in the valley of the Mississippi. They have the right side, below the ribs, and surgeons been approved by the Secretary of the pronounced the case not fatal. Mr. Val-Treasury and will be officially promulgated landing ham, however, expired from the effects

This Company is now offering for sale about six hundred thousand acres of the finest agricultural lands in the West. The Company sells only to actual settlers, and the prices are exceedingly reasonable, raiging from \$5 to \$15 per acre—the average being about \$8. The greater part of these lands are situated along the line of its railroad between the cities Des Mones and Council Bluffs, and are in the most accessible

Council Bluffs, and are in the most accessible

(Successor to Jacob Riley)

LEVER NEAR FERRY LANDING. The sub-criber, at his shop on the Levee, near Wollman's, invites the attention of his friends and the public generally to his large and com-plete stock of Brass & Iron goods, such as Steam
